Guidelines

To ensure fairness, transparency, and consistency for all sponsors, the following policies are in place:

1. **Event Vetting and Submission:**

All sponsored gastrointestinal (GI) events that include NCSG members during the Pinehurst conference weekend must be vetted and submitted through the NCSG Board prior to the event. This process is critical for maintaining the integrity of the conference and ensuring that all events align with our mission.

2. **Sponsorship Level and Payment:**

An appropriate sponsorship level must be requested and paid in full prior to the event. No exceptions will be made, and all sponsors are expected to comply with this policy.

3. **Commitment Form:**

Sponsorships will be reserved only upon receipt of a completed Sponsor Exhibitor Commitment Form (pg 4). Submission of the form serves as your organization's commitment to participate at the selected sponsorship level.

We are unable to hold sponsorships based on verbal or tentative commitments. Because sponsor recognition is incorporated into printed and digital materials well in advance of the event, we kindly ask that the Commitment Form be submitted only after all necessary internal approvals have been obtained.

4. **Policy Adherence:**

We ask that all sponsors adhere to the NCSG's policies and procedures. Any sponsor found to be in violation of these guidelines will not be invited to participate in future NCSG conferences at any level. These measures are in place to ensure fairness and full transparency for all sponsors.

If you have any questions or require clarification regarding this policy, please do not hesitate to contact NCSG. We value your partnership!
